If registering less than 4 golfers, others will be added to make a foursome. Many single suppliers request being paired with a distributor. Every effort is made to do this, but the best way to ensure a mix is to invite someone to golf with you (*they must be a UMAPP member*). Otherwise, we are happy to place you with a group.

All golfers must be pre-registered. Any changes to golfers or teams, please notify the UMAPP office prior to the outing.

Max number of golfers: 128
Registration closes: Friday, May 14.
